

Provincial Players/Teams Uniform Policy

Purpose

The purpose of this policy is to ensure that all members of the LBAA are aware of how the LBAA and its staff shall handle the use and supply of its Provincial Uniforms to its Provincial Champions and representatives, as well as maintain the inventory. It also is meant to clearly define the Provincial Dress Code for competitors advancing to any BCB National Championship.

Policy Application

1. The LBAA shall maintain an inventory of both Provincial Team Shirts and Jackets, the design of which shall be recommended by the Uniform Committee and approved by the LBAA Board of Directors. Said design may be changed periodically, as determined to be necessary by the Board of Directors.
2. The quantity of uniforms held in inventory shall be as determined by the Board of Directors.
3. Uniform inventory purchases may be made using any combination of General Revenue and/or Gaming proceeds. When the purchase of any item is made with the use of Gaming proceeds, the system of inventory control shall be as per current AGLC rules and guidelines for same.
4. All logos and images placed on the Provincial Uniforms shall meet LBAA and/or BCB policies and guidelines.

Use of Uniforms

1. Following all Provincial Playdowns where competitors are declared that will be advancing to a National Championship where they will be representing the LBAA, LBAA staff will supply said representative(s) with two (2) Provincial shirts and one (1) Provincial jacket. In all cases, the Provincial shirts shall be sold to the competitor at a price of \$25.00 each for the first two and \$75 each for any additional shirts. Should the competitor wish to purchase the Provincial jacket, he or she may do so at a cost of \$75.00.
2. Should the competitor choose to have the jacket supplied on an On-Loan basis, there will be no charge for the use of the jacket, providing it is returned to the LBAA office following being dry cleaned, and it is returned in a reusable condition. Should it be determined by LBAA staff that a returned jacket is not reusable, then the competitor shall be charged \$75.00 for said jacket.

3. If any items have been purchased with the use of Gaming proceeds (as identified by the E.D.) then all items shall be returned to the LBAA Office in their original condition, as soon as possible following the Championships, and returned to the LBAA uniform inventory.
4. All items purchased with Gaming proceeds shall not to be worn at any function or tournament other than those sanctioned by BCB and LBAA as National Championship events.
5. If the uniform has been purchased from General Revenue and sold to a LBAA Member, then the jacket only (not the shirt) may be worn as desired. In this case, the shirt may be worn only at BCB National Championship events.
6. In all cases, the current official LBAA uniform (shirt as well as navy blue shorts, skorts or pants) shall be worn for all official team pictures taken at the National Championships, as well as during all ceremonies. If deemed appropriate by the Alberta Team Manager/Coach at the BCB Majors National Championships, all team members shall also wear the Alberta Team Jacket for Opening and Closing Ceremonies.
7. During competition, all individual teams (pairs, triples, and fours) shall wear coloured matching apparel. All pants, shorts, skorts, or skirts worn must suitably match the Provincial Uniform and therefore must be either navy blue or white, as agreed upon by all individual team mates. NOTE: Black and cream are not acceptable.
8. No CLUB apparel is to be worn at any ceremonies or during competitions, but may be worn during the week of a National event, while not competing.
