

Tournament Entry Procedure

All entries to LBAA playdowns and sanctioned tournaments must be submitted through the LBAA website using the online registration forms. Entries will be acknowledged through an automatic response sent to the email of the registrant.

All deadlines for playdowns and tournaments are posted on the corresponding posters and on the website.

No entries will be accepted after the deadline.

The Executive Director will make every effort to acknowledge all entries within 24 hours except for entries received after the office is closed for the weekend. In this case entries will be acknowledged on Monday morning.

Should any entrant not receive confirmation within 24 hours then the entrant must contact the LBAA office by phone or email.
