The Outdoor and Indoor Singles Playdowns will be separated for 2017.

The Junior Tournament, which is a qualifier for LBAA to determine which players to help fund to attend the Open National event, will be held on the Sunday and Monday following July 1st. The event will be scheduled, based on the number of entries, to ensure we do not interfere with Club's annual Canada celebrations. The exact schedule will be released as soon as we know the number of entries and will be tailored to meet the travel needs of the juniors and their parents.

Special note: It may seem like the schedule is 'out of order' from previous years. For example, the triples playdown was in Calgary last year and the Pairs playdown was in Edmonton and both have been scheduled again in those locations. There are many factors that go into making the schedule and the policy was followed when the dates and events were set.
